

## Éléments Chocolats: Where Premium Belgian Chocolate Traditions Meet the Wisdom of the Chinese Five Elements

Pioneered in Shanghai, **Éléments Chocolats** offers a Premium Belgian chocolate and China focused cultural and ingredient experience unlike any other, seamlessly blending time-honored Belgian chocolate craftsmanship with the ancient Chinese holistic philosophy of Daoism and the natural balance of the Chinese Five Elements (五行).

Founded by Brussels born artisanal chocolatier Thomas Standring, **Éléments Chocolats** bridges East and West by pairing 100% sustainable, premium Belgian chocolate with carefully sourced natural ingredients from across China's diverse landscapes—from Longjing green tea and Xinjiang red dates to Lin'an pecans and Yunnan lemongrass. Every chocolate & praline is crafted with 100% natural ingredients and zero artificial colorings, symbolizing the five elemental forces of Earth, Metal, Water, Wood, and Fire, alongside the signature sixth element of Love.

Based on the universal balance of the Chinese Five Elements (五行), inspiring balance and well-being, **Éléments Chocolats** makes for a sophisticated and memorable corporate gift. Whether celebrating milestones, rewarding clients, or thanking team members, our individual elements boxes, signature boxes—such as the **Harmonie 6 Éléments** and the grand **Harmonie Céleste** collection—deliver a story of East-West harmony, gifting and refined taste.
