Gift Box Collection

Curated for the Gifting Season

"Happy products for happy people"

Founded in Amsterdam in 2007 by designer Anke van der Endt, Pip Studio turns gardens, birdsong and playful colour into the small joys that live on your table and in your home.

One motto, one promise — happy products for happy people.

Blooming Tales Fantasy

NEW COLLECTION · SPRING SUMMER 2026

A spring dispatch from Pip's travels through Delhi — wooden Indian arches and fanciful chintz blooms murmur between soft blue and green leaves, each piece finished with a thread of gold.

Love Birds

RELIEF MEDALLION COLLECTION

One of Pip's all-time favourites. A relief medallion at the heart of every piece cradles little robins and their companions, framed by crisp stripes and curly gold — sweet, but never saccharine.
